

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### **Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### **About Google Book Search**

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

(b) APPENDAGES.

---

- ᵛ = n, as in ρᵛᵛ, it is cold. *nisiu*
- ᶜ = m, " ᵛᶜᶜ, sun. *pisim*
- ᵛ = s, " ᵛᵛᵛ, boy. *napsis*
- ᵛ = p, " ᵛᵛᵛ, duck. *sisip*
- ᵛ = k, " ᵛᵛᵛ, <sup>ninakatik</sup> he leaves me.
- ᵛ = t, " ᵛᵛᵛ, tooth. *nipit*
- ᵛ = ch, " ᵛᵛᵛ, very. *naspic*
- = w, when placed immediately  
to the right of a syllable,  
as in ᵛᵛ•, my wife. *niva*
- = i, when placed higher to the  
right, as in ᵛᵛᵛᵛᵛᵛ, my  
coat. *niskata kai.*
- : = wī, combining the value of  
each point as given above,  
as in 96:, kā-kwī. *kakwai*

- " = the rough breathing, or aspirate, as in  $\wedge''\text{d}$ , ashes.  $\text{hix}\kappa\omega$   
 x = a combination of " and  $\text{'}^t$ , that is, of the aspirate and k, as in  $\text{r}\wedge^x$ , at the river.  $\text{sipixk}$   
 z = r, as in  $\text{bz}'^t$ , Christ.  $\text{kris}\text{t}$   
 z = l, "  $\text{v}'\text{r}\text{z}$ , angel.  $\text{enzel}$   
 o = oo, "  $\text{av}\text{o}$ , man.  $\text{napeu}$

When “.” and “o” are placed to the right of a syllable, as in  $\wedge\rho^{\wedge}\text{q}\cdot\text{o}$ , the value of “.” is absorbed by the syllable, while that of “o” is affixed. Written in Roman characters the word  $\wedge\rho^{\wedge}\text{q}\cdot\text{o}$  will illustrate:—pe-kis-kwāoo; “w” is within the syllable, and “oo” is affixed to it. The value of “.”, which appendage must be placed after the syllable it affects, is always absorbed except in the case of  $\text{v}\cdot$ ,  $\text{d}\cdot$ ,  $\text{d}\cdot$ ,  $\text{d}\cdot$ , in which, though

“.” is affixed in position, its value is prefixed. The above combinations are pronounced, wā, wē, wō, wä. The absorbed and the prefixed values of “.” are met with in the word  $\Delta \cdot \wedge \rho \wedge q \cdot o = w\bar{e}p\bar{e}kiskw\bar{a}oo$ , he wishes to speak.

It will be noticed that there are quantities between  $\nabla$  and  $\triangleleft$ ,  $\vee$  and  $\lessdot$ , &c., less full than those given in the Alphabet. When quantities similar to the alphabetical ones are very necessary in the pronunciation of a word, the period “.” is placed directly over the long or broad syllable,  $\sigma b \dot{\rho} \cdot (L) \supset = ni-k\check{a}-kw\bar{e}-t\check{a}-m\check{a}n = I$  shall be in need.  $\nabla d ( \sigma b \triangleleft \dot{i} \supset ) = I$  shall be there; here the last syllables are “ä” and “yän,” both broad.  $b \triangleleft \dot{i} \supset \supset =$  where you are. The last “ $\supset$ ” is not broad,  $k\check{a}-\check{a}-y\check{a}-yun$ .

## THE LORD'S PRAYER.

βουλευθησθε δε προσευχασθε

οτι ο πατερ ημων δευξαι σου, και  
 παρκατω ημας, ος εστις ο βασιλευς ο ουρανων;

και οτι η βουλη σου ηγιασηται, ος εστις ο  
 δευξαι σου, ος εστις ο βασιλευς ο ουρανων, και  
 ος εστις ο βασιλευς ο ουρανων.

και οτι η βουλη σου ηγιασηται, ος εστις ο  
 δευξαι σου, ος εστις ο βασιλευς ο ουρανων.

ο βασιλευς ο ουρανων, ος εστις ο βασιλευς ο  
 ουρανων, ος εστις ο βασιλευς ο ουρανων, ος  
 εστις ο βασιλευς ο ουρανων;

ο βασιλευς ο ουρανων, ος εστις ο βασιλευς ο  
 ουρανων, ος εστις ο βασιλευς ο ουρανων, ος  
 εστις ο βασιλευς ο ουρανων:

ο βασιλευς ο ουρανων, ος εστις ο βασιλευς ο  
 ουρανων, ος εστις ο βασιλευς ο ουρανων, ος  
 εστις ο βασιλευς ο ουρανων, ος εστις ο βασιλευς ο  
 ουρανων, ος εστις ο βασιλευς ο ουρανων.
